Description

Lovely 18th century bookcase or china cabinet of impressive scale. It has exceptional cross banding, stringing and mitre panelled doors. It is a really good golden colour not shown in these photos. The lower section is a cupboard with linen sliders underneath a single drawer. Unusually there are three small drawers in the top section. This is a really good piece and in good condition too. 126cm wide 246cm high 62cm deep TF014
