Description

A very near pair of late 19th century English Victorian mahogany buttoned spoon back armchairs, circa 1880. The chairs are so similar, there being a slightly different foot and one frame is just slightly broader than the other...noticeable when placed directly alongside like this in the photos, but when apart, you won't notice! Well carved solid mahogany frames and their vintage upholstery is in good condition, very comfortable too. Can be reupholstered for you in your own choice of fabric, please get in touch to discuss costs and meterage. Priced as the set of two. Measuring: Height: 39" / 100cm Width: 27.5" / 70cm Depth: 30" / 76cm Seat height: 14.5" / 37cm
