Description

A C19th, elm, ash and beech framed, rush seated, Lancashire type, country carver armchair. This chair features a triple row of turned spindles back, turned style uprights, open shaped arms with turned supports, over rush woven seats, raised on rounded front legs with off-set pad feet, squared rear legs, all supported by stretchers. A charming old country carver. Serviced, cleaned and waxed, and ready for use. Dimensions: This armchair measures approximately 109.75 cm (43.25") tall, 62.5 cm (24.5") wide, and 55.5 cm (22") deep. The seat height is approximately 42 cm (16.5") and width between the arms 47.5 cm (18.75"). Condition: Please see the pictures for details of the items condition. - This armchair is in a reasonable and very serviceable condition, commensurate with its age, and is structurally sound and sturdy. Some odd marks and blemishes. One front foot with repair to pad. Repair to one arm support. No loose joints. Seat is good. Good colour, polish and patina. Some old extinct wood worm holes, not structurally affecting, which have mostly been filled and polished over, and have all been treated by way of precaution and future prevention. Serviced, cleaned and ...
