Description

A lovely early map inscribed in Latin with with explanatory notes verso. Entitled 'Tartariae Sive Magni Chami Regni Typus' is map 92 from the groundbreaking atlas 'Theatrum Orbis Terrarum'- Theatre of the World. The map represents areas of modern Russia, Mongolia, northern China and Japan, with an early depiction of America to the east with a peninsula inscribed 'California'. Engraved copper-plate with hand colouring. Formed in two sheets, mounted and glazed on both sides. Follow us on Instagram: [jeckyll_and_co](#)
