Description

A truly fabulous set of George III oak chest on chest, moulded cornice with meandrous capital above two shorts and three long drawers, the projecting base with an idiosyncratic arrangement of two short and two long drawers, Chinese Chippendale design backplates, c.1770. Generally good and solid, it has a working key to lock the draws and it splits in to three pieces for ease of transportation. There are signs of age and use, various small knocks and marks, but nothing detrimental or untoward. They have been cleaned, gently polished and are ready for use. All prices quoted exclude delivery costs. Delivery costs for the shipping of this item to anywhere mainland in the UK is £75.
