Rare silver bellows pin cushion

Price

Sold**Item Reference: SA1055876****Date of manufacture: Edwardian**

Description

A great example of a rare silver bellows pin cushion. Lovely decoration to the front and back, good clear marks to the front. The central velvet button is worn but original and the velvet around the sides is again the original and in good order commensurate with age and use. A really lovely item. Birmingham 1905 Charles Arthur Faraday. L 7.5 cm W 4 cm D 2 cm
