Description

An unusual circular convex wall mirror dating from the early 20th century. It has a copper frame with applied ball decoration. It has a wooden back and a chain for hanging. It is in good condition with its original convex mirror plate. There are some signs of age and use, some small marks and minor knocks and the copper has tarnished in places but overall it displays very nicely. It has been lightly cleaned and is ready to hang. Approximate Measurements: Diameter of Frame : 16 1/2" / 42cm Diameter of Mirror : 11 1/2" / 29cm Depth : 1 1/4" / 3cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
