Description

A wonderful Antique English Pen Work tea caddy dating to around 1820, Regency in era. There is some wear to the decoration which is common with these highly sought-after pieces, but if it were perfect you could multiply the price three, four or more times. A beautiful shape, the top features a mythical or classical design, the front is decorated with a rural farming scene and all around a floral and foliate design. The lids inside give an insight to how this caddy would have appeared two hundred years ago, each with a small Ivory turned knob. Standing on four brass ball feet, the caddy comes complete with a working key. 8 1/2" x 5 1/2" x 6" tall. Item ID: 32923
