Description

This beautiful and vibrant set of four Chinese cloisonné wall or cabinet plates is most eye-catching. The design of exotic birds amongst branches with a flowering blossom is very well done with fine wires forming the design over a brass base which is then filled and fired with rich coloured glass enamels which are then ground and polished smooth to show the intricate design. Each plate is completely different but made to be a set of four which will display well as a wall hanging group or in a cabinet. Chinese, circa 1930 Height 2.5cm x width 18cm x depth 18cm
