Description

A beautiful pair of antique alabaster table lamps. They were most likely made in France, they date from around the 1930's. The quality is excellent, the alabaster is a beautiful white colour with tones of grey running through. They are held together by decorative brass accents, the brass appear slightly darker in the images than in real life. The condition is excellent for their age, they have been re-wired and are in good working order. We have paired them with a lovely pair of modern grey shades. Width base – 5 inches , 11 cm Width shade – 16 inches , 40 cm Height to socket – 18 inches , 46 cm Height to shade – 26 inches , 66 cm
