Description

This most elegant ANTIQUE BRASS DOOR STOP, possibly made by William Tonks & Sons, dates from circa 1900. It weighs just over 5 lbs (2.3 kg) and is stamped with the number T2786 to the back. The DOOR STOP is both functional and artistic. The weight enables it to serve its purpose well and the provision of a thumb and finger hold at the top means it can be easily moved. Good, original condition. Height: 12.5 inches (32 cm) Express delivery within the UK is included. We ship Worldwide and are happy to quote for Overseas Shipping on request.
