Description

The gorgeous apple green field has a widely spaced design of large pink flowers with leaves, stems and border in a lighter, lime green. It's a very effective, decorative combination and over the years I've had only a few with this winning combination. They usually sell themselves quite quickly although this one has a very unusual size, being long and slightly narrow. Evenly worn allover, professionally restored, now clean ready for your floor. 7'3" x 14'8"1
