Description

A wonderful antique burr walnut console side table. This was made in England, we would date it from around the 1890-1900 period though it could possibly be a bit earlier. The quality is outstanding, this is extremely well made with a lovely and useful design. The top has stunning burr walnut grain patterns and a cross banded edge, this sits on cabriole legs with intricate carving at the knees. We have had this re-polished, the condition is excellent for its age with a beautiful patina. Width – 31 inches , 77 cm Depth – 15 inches , 39 cm Height – 29 inches , 74 cm
