Description

Pretty period Pembroke table in good clean condition, this one has lovely detail which elevates it above the normal ones. It has great proportions with thin legs and frieze and exceptional quality crossbanding and stringing, the stringing on the drawer front is arranged so as it looks as if the handles have drawn the pattern. The timber has a wonderful grain pattern and the whole table has faded to a very fashionable golden honey colour. English circa 1780 72cm high 56cm wide 91cm deep TF029
