Description

This timelessly fashionable pair of late Victorian single beds features a contemporary feeling geometric or leaf design (we couldn't decide which was more accurate!) in the head end with a lovely arching shape. These beds have a surprisingly contemporary feel given they are over 100 years old, a testament to their enduring style. Hand painted in Little Greene's Olive colour, with highlights and lowlights of Little Greene's Obsidian green and Sage green, waxed to preserve and give a soft sheen. Professionally restored to be incredibly sturdy, the frame has been shot blasted and primed. The side rails have been strengthened and adapted to support wood slats or a bed base. Suitable for a modern single mattress 90cm x 190cm. Head height 124.5cm Foot height 34cm Side rail height 34cm Overall width 91cm Joined width 182cm Overall length 196cm Price includes wood slats (Sorry not mattress). As an alternative to the wood slats we can supply a 2" deep upholstered boxed base – Bed photographed on slats. We can also supply hand-made mattresses in all comfort choices.
