Description

Technical Description A beautiful Edwardian silver flying scarab decorated in the guilloche enamel technique. Produced by Charles Horner, maker's mark is 'C.H', fully hallmarked for Chester 1909. Mounted with a silver tube to the back, a rare feature allowing for different attachment types either as a pendant or charm. Set with green, aqua marine blue and cobalt blue enamels over etched detailing. **Date & Origin** England, Chester, 1909. Period of King Edward VII. **Condition** Very fine, age-related wear as shown, some loss to the enamelling. Tube loop is in good order. **Dimensions** Diameter: 4.5 x 2 cm

Internal Ref: 2024030803
