Description

1 British Marine Oil Painting MS Achille Lauro Ship Ex Willem Ruys By William Eric Thorp. Impress your clients & guests, make an art statement with this exceptional maritime steaming masterpiece to display on your office wall space or home interior. Signed at the bottom by the known marine British artist William Eric Thorp. Oil on canvas set in a fine traditional gilt frame. Circa mid 20th century. Good proportion sized frame being 58 cm wide and 48 cm high. Title "The Achille Lauro, 23,629 Tons, Ex Willem Ruys" by William Eric Thorp. In our opinion this is one of his very fine works. Your focus is first drawn to the small sailing yacht who is sailing away in the opposite direction, on the other flank a smaller Italian classic boat sailing parallel with the Lauro. Then the large delightful MS Achille Lauro ship who is sailing towards the left in side profile. You can view the iconic blue hue colour of the hull & opaque turquoise twin funnels which have a white star in each. Lifeboats along the side also the name of the ship shown by the stern area. Sailing along relative choppy seas above with light blue sky with some cloud cover.
