Description

This is an exceptional set of 18th century Georgian chest of drawers. These are c.1720 and as far as I can tell totally original. The burr walnut is stunning with the best colour I have seen and wonderful figuring throughout. The beaded details have an attractive smoothness to them and the top is superb. The overall condition is honest for its age with not major faults. The drawers are oak lined and all run smooth and shut flush. There is also a key with the locks.
