Description

(Reserved BC PP) RAF issued Hamilton 6B-9101000, cal 75 navigation or pilots watch, dating circa 1967. This is a rare first version, issue no 0344, fitted with the early Hamilton cal 75 non hacking movement. A fine example, fully signed throughout and in full working order, keeping time. Excellent unrestored dial and handset, excellent unabused full stainless steel case and screw down case back. The movement retains its correct cover to the very fine Hamilton cal 75 movement. Case size 36mm diameter excluding the winding crown. The Hamilton 6B offers an excellent, if not better alternative to the, 6B, Omega, Jaeger, IWC and at a fraction of the cost. Price £1695.00 inclusive of shipping to within the UK.
