## Description

For sale, this fine quality early 19th century stool standing on especially elegant cabriole legs. The colour and patina is very nice, the upholstery and webbing is all aged but still in good order, but the great thing about this stool is the construction. The frame which is usually beech, oak or even pine, is made of the finest mahogany and it even has correct period corner stretchers. A very fine piece indeed and worn out just enough for that perfectly inherited look. 20" / 50cm high 24" / 61cm wide 21" / 53cm deep TF034

Internal Ref: TF036
