Description

A chunky but elegant ring in solid sterling silver by the fine Danish Modernist silversmith Nils Erik From (1908–1982). The ring is in very good vintage condition, with normal surface wear and some age-related tarnish. We have not overpolished as many people prefer to keep the patina but you could doubtless take it to a higher shine. The ring is stamped FROM 925S inside. Size: L and a half (UK), approximately 6 (US). The amethyst measures approximately 1cm across, with the setting adding another 1mm around the edge. The top of the cabochon sits around 8mm above the finger. Weight: 4.1g.
