Description

A well-made and robust chair which is very comfortable and structurally rock solid, running on counter-sunk brass castors. The frame is traditionally upholstered and in good order, the covering floral fabric is slightly faded. It would make an excellent desk chair and would be perfect for daily use. Height to the top of the seat 47cm. Reliable transport throughout the UK can be easily arranged at cost price, please let me know if you would like a quote, or have any other questions.
