Description

An Early 20th Century British Landscape Oil Painting. A good decorative and well executed Oil On Canvas Board from the early 1900's. Depicting a farm worker returning home in dappled sun against a village backdrop. Suitably framed 74cm x 63cm. Aperture 59cm x 49cm. We feel the photos do not do the picture justice as the painting is slightly darker with the colours being softer. Always happy to send a video via email, text or WhatsApp.
