Description

A beautiful solid silver tea cup. It is hallmarked with silver marks and tests as high grade silver. I would date it to c1920-1940. It has been beautifully made being engraved with flowers and deer. It is in superb condition being free from dings splits distortions and repairs. The glass is free from chips cracks and repairs. It measures approx. 3.5 inches (8.8cms) tall by 3.25 inches (8cms) including the handle and weighs 143 grams including the glass, 68 grams excluding it. A beautiful piece.
