Description

This is a beautiful antique Chinese gentleman's silver pommel and Malacca walking stick, circa 1880 in date. This decorative walking cane features an exquisite Chinese silver pommel decorated with people in an exotic garden scene. The attractive and sturdy Malacca shaft is complete with its original ferrule. Add an extravagant element to your daily life with this wonderful walking cane. Condition: In excellent condition, please see photos for confirmation. Dimensions in cm: Height 92 cm x Width 4 cm x Depth 4 cm Dimensions in inches: Height 3 foot x Width 2 inches x Depth 2 inches Malacca wood rare and exotic also known as "King of canes" was the most commonly used material in making the cane shafts where the standard grip was rounded and metallic. Today, designer and collector canes have sterling silver handles, and are made with wooden shafts made from various woods, including Malacca and bamboo. Ornate designs, such as animal heads, skulls, and various emblems may also be carved into the wooden handles; these may make them harder to wield, but some find them more attractive. Malacca is one species of rattan found on the coast of Sumatra. Ratta...
