Description

~~ Totally original throughout ~~ This is a very fine example of a gents pocket watch made by the world renowned premier swiss maker Omega. The watch case is of polished stainless steel which is extremely robust and durable which enables you to use it as an everyday pocket watch. The 15 jewel 37.5L calibre movement has the serial number of 862 7054. It has a 42 hour power reserve. The dial and hands are completely original and of course it has a second sub dial. The watch comes with box to keep it in perfect condition. As you would expect from Omega the watch is fully marked on the dial, movement and case. There are NO inscriptions either inside the case or on the back. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that Art Deco look and feel to it. The watch case measures 46mm in diameter and is 9mm thick, a nice slim watch which slides easily into your pocket. The watch movement comes with a full 1 year warranty. Please be aware this watch is also for sale in our shop and if there are no bids may be withdrawn before the end of the auction. If you would like further information please contact Andrew and Lynn Wil...
