Description

This is a really good quality English Regency wrought iron garden bench dating from around 1820. The solid bench is in remarkably good sound order and has a very tasteful design with three curved scroll supports and heavy riveted slat back and seat in a white painted finish. The bench is in excellent condition throughout and ready for years more use. It is substantial in size measuring 184 cms in length 80 cms high by 40 cms deep. UK delivery can be arranged with our furniture couriers and costs £65 plus vat to most destinations.
