## Description

Immerse yourself in the stately elegance of this exquisite 19th Century pedestal desk, a magnificent representation of exceptional craftsmanship and timeless design. Crafted from luxurious golden oak, this desk exudes warmth and sophistication, making it a standout addition to any office or study. Dating back to 1860, this desk carries with it a rich sense of history and authenticity, adding to its allure as a cherished heirloom. Despite its age, it remains in excellent condition, a testament to its superior quality construction and the care it has received over the years. Boasting a large size, this desk provides ample workspace for all your professional and creative endeavours. The nine drawers offer convenient storage options, with four small drawers on each side and one large drawer in the centre, all adorned with their original brass handles. The striking red leather top adds a touch of opulence and sophistication, creating a luxurious writing surface that is both elegant and functional. Stood on casters, this desk offers ease of mobility, allowing you to position it wherever inspiration strikes. For added convenience, this desk comes apart into three sections for ea...
