Description

A fine and impressive set of four of vintage English sterling silver candlesticks made by Garrard & Co Ltd; an addition to our antique candle holder collection. These fine and impressive vintage sterling silver candlesticks have a circular panelled form, in the antique George V style. The plain panelled capital of each retains the original hallmarked detachable push fit scone, ornamented with a moulded border to the rim. The capitals are supported by a plain tapering panelled column, encircled with circular knobs. The lower portion of each column features a plain rounded knob to a spreading base. Each of these impressive sterling silver candle holders have filled bases and bear green baize coverings to the undersides. These impressive candlesticks were crafted by the renowned silversmiths Garrard & Co Ltd. Condition These vintage silver candle holders are a superior gauge of silver, excellent quality and in excellent condition. Each component has been professionally polished and is in presentation condition. Full hallmarks struck to the surface of each base and part hallmarks to each scone sleeve are all very clear; the hallmarks are struck deeply due to the excell...
