Description

Size: 9ft 5in x 6ft 5in (286 x 196cm). Antique Pirot / Sarkoy kilim of scarce lattice design. A kilim of superb design and colour. Circa 1920. Pirot kilims are also known as Sarkoy or Sharkoy, they originate from the town of Pirot in south-eastern Serbia; where they have been made since the middle ages. The popular design style has spread across the Balkan region and into western Turkey. These are outstanding furnishing kilims with a very unique style in a wide range of designs and colours. This example is of a scarce lattice design in soft ivory and cream colours on a warm red ground, the border is of a simple classic design and frames the kilim very well. The weave is typically fine and tight. A superb example with a simple but effective design. Very good condition with slight wear. Suitable for normal domestic use. Hand washed and ready for use.
