Description

A lovely pine chest of drawers dating from late 19th / early 20th Century. The pine has a nice warm colour and it is a good large size offering plenty of storage. Each drawer has a turned wooden knob and it stands on a plinth base. It is in good condition for its age. Each drawer is generally clean and tidy and opens and closes smoothly. There are some signs of age and use with light surface marks and minor knocks but nothing detrimental. There are some minor signs of historic worm which has all been treated as a precaution and hasn't affected the piece structurally or aesthetically. They have been cleaned and given a gentle wax polish and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
