Description

A lovely antique pine storage cupboard with a shelved interior. It has two panelled doors with wooden knobs and a metal latch and it stands on a simple plinth base. It has a lovely patina with lots of character and would make a great larder cupboard or linen cupboard. It is in good condition and has been cleaned and given a smooth waxed finish, retaining its lovely aged patina. The shelves inside are generally clean and tidy although there are a few old stains and marks. There are of course signs of age and use, some old shrinkage splits and marks and knocks here and there but nothing untoward or detrimental. There are a couple of signs of historic worm which has all been treated as a precaution and doesn't concern us. The cupboard displays very nicely and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
