Description

Outstanding Nest of 4 French Kingwood Tables. A stunning set of tables for guests. This is a beautiful and very rare French 19th Century Louis Phillipe nest of four solid Kingwood side tables believed to be made around C1880. This stunning quartetto of descending tables feature quarter cut wild-grain Kingwood centres, framed by straight-grain Kingwood with Boxwood stringing to all of the tables, with the smallest having a lower shelf also incorporating the same inlays. The tables sit over each-other and are able to be picked up as one via turning 2 supports. The tables all feature solid Kingwood slender legs finishing to flared feet and are complete with stretchers. The tables all match in colour and feature a lovely rich Kingwood colour with their original deep french polished finish. We have just cleaned and waxed these lovely tables to give a natural shine and enhance their original French polished finish. These very rare and petite tables are all original and solid with no joint movement, the tops are flat and without any twisting. Please note; Being an antique item of this age there are obviously marks, scratches and dents however, we feel that these points are wh...
