Description

A lovely stripped pine storage cupboard dating from the early 20th Century. It has a shelved interior and comes with a working key. The doors are panelled and it sits on a simple plinth base. It has good large proportions and would make a great larder cupboard or linen cupboard. It is in good condition and the pine has a nice warm colour. It has been cleaned and given a smooth waxed finish, retaining its lovely aged patina. The shelves inside are generally clean and tidy. There are some signs of age and use, some marks here and there and a few minor shrinkage splits but nothing untoward or detrimental. It displays very nicely and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
