Description

Victorian Mahogany Tilt Top Wine Table. We bring to you this lovely Victorian Mahogany tilt top wine table believed to be made around C1850. This table is in a lovely original condition which we have just enhanced by sympathetically restoring and waxing this table whilst preserving the original French polished finish with its lovely deep Mahogany colour with lots of patina and charm. This table is made from all solid Mahogany with a round 1 piece moulded edge top and a finely turned Mahogany centre support. This table features a snap top tilting mechanism which is working smoothly with its original brass banjo catch (does have an old honest repair to the latching point, which works well). The turned central pillar finishes to elegantly shaped tripod legs. This very rare table is in a superb condition for its age, the joints are all as tight as they should be with no wobbles. Please note this item is in beautiful condition for its age as shown in the photographs below however being an antique item it does have the odd bump here and there. However, we feel that these points are which adds charm and character to a piece. Dimensions Height: 760mm Diameter: 535mm
