Description

This 19thC Mahogany Pembroke Work Table offers good storage and surface area while only occupying a small amount of floorspace. Standing on ring turned legs that terminate in a brass cup castor, with the rings ebonized to tie in with the black inlaid lines on the rest of the table. The two smooth running drawers have brass knob handles, with matching dummy drawers to the rear. This table can be placed in any part of the room as it is finished all round, and so can be admired from any viewing angle. An extremely useful and a very elegant addition to any room.
