Description

This Edwardian Inlaid Walnut Window Seat is of elegant form and has many nice attributes. Being profusely inlaid with contrasting lines, even on the spade toe, is a sure sign of superior quality. Standing on tapered legs with an H frame stretcher for added strength, leading up to decent size arms, there is a lot to admire about this piece. Having recently been reupholstered in a Burgundy crushed velvet, with restored woodwork, this Window Seat presents very well indeed. As it is finished all round, it can be placed anywhere in a room.
