Description

Antique Fine Quality 1800s Inlaid Mahogany Writing Table, also serving as a desk or dressing table, showcasing a classical Georgian design. Recently restored, the finishes are well-preserved. This exceptional piece features solid construction with no loose joints, radiating character and charm, making it a rare and alluring discovery. The drawer functions smoothly, offering practical storage. Crafted with selected mahogany veneers on a mixed wood construction, including a solid mahogany top and legs, it exudes an enchanting aesthetic.
