Description

This is a lovely example of a ladies art deco platinum and diamond wristwatch. It has a platinum case surrounded by diamonds and then more diamonds to the beautiful articulated shoulders which are incredibly white, bright and crisp - elegant and very much in the classic Art Deco design. It has its original 9ct white gold clasp on the silk strap and also original facet cut collars. The total diamond content is approximately 1.25 cts. The case measures 11mm wide and the total length of the platinum and diamond section is 68mm including the shoulders. The black silk strap can be adjusted to fit any wrist size or we can fit a blue, white or silver silk strap, just let us know your preference. It comes complete with a new piano black presentation box. It is quite stunning, the case professionally cleaned and polished so it is absolutely pristine. The case is marked platinum and has been fully tested. This watch certainly has that understated elegance which resonates class. Overall this watch is simple stunning and was obviously extremely well cared for, it would certainly make a perfect gift for any lady especially when worn with that little black dress - very Audrey ...
