Sold

Item Reference: SA1060790

Date of manufacture: 1890

Dimensions

Height = 69 cm (27.2")

Width = 65 cm (25.6")

Description

This is a very decorative antique copper firescreen with classical Art Nouveau design dating from around 1890. The pierced copper screen has a curling flame design and hand forged scrolling ironwork to the outsweped stand. In excellent condition with a lovely warm glow to the polished copper screen. This measures 65 cms wide to the outside of the legs by 69 cms in height with the copper panel being 36 cms wide at the top. UK insured packing and delivery is £25
