Description

If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 12 metres of material (6m per chair). You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. These are a stunning pair of 19th century French armchairs with a very nicely carved painted frame and shaped back. The size of these is also impressive making the chairs a great decorative addition to a room. The paint isn't original but not new either and is showing age related wear handsomely.
