Description

Superb early Scottish Monart art glass flower vase in mainly turquoise colours with silver dust / fragments decoration. This is an early piece of Monart glass from the first couple of years of manufacture. The silver foil type decoration is much rarer than the gold dust decoration. The lovely vase is a great shape and a beautiful colour. Monart glass was all made in Perth starting in 1928. Price includes UK postage and packing costs SIZE; 6" diameter by 7 3/4" tall CIRCA; 1928 - 1930 Monart glass was all started by Salvador Ysart and Isabel Moncrieff and Ysart's three sons in the early 1920's in Perth Scotland. The three brothers; Vincent, Augustine and Salvador then split up from their father and formed Vasart Glass (originally named Ysart Brothers) in 1947. The two firms then both produced similar style of glass simultaneously for a period before Vasart glass became Strathearn Glass in 1965. We can only put early pieces of Monart glass on here because of the dateline of 1930 for glass on Sellingantiques. For the full range of Monart, Vasart and Strathearn glass please visit our own website.
