Description

A stunning and large Art Deco walnut coffee table. This was made in England, it dates from the 1920's. It is of superb quality and is a most impressive size. The circular top has four brush slides that pull out from the edges with small brass handles. The walnut is veneered with a beautiful starburst pattern on the top with cross banded edges. This also has a very useful lower tier. We have had this stripped and re-polished to a very high standard, the condition is superb for its age.
