Description

A lovely mahogany side table on tapering turned legs dating from the mid to late 19th Century. It has nice small proportions with a beautiful rich patina. It has a single long drawer with two small brass knobs. There is a maker's label inside the drawer for "Balls, Forman & Co. Furniture Warehouse, 170 Oxford Street". It is in good condition for its age and is strong and sturdy. The drawer opens well and is generally clean and tidy inside with just a small repair to the back of the lining. There is a small chip on one side and there are some other minor signs of age and use and a few light surface marks and stains but nothing untoward and the table displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
