## Description

An 1920s intricately carved copper boiler. Unearthed from the basement of a Brighton café, where it had been owned from new. Each detail of its ornate carving reflects the skilled craftsmanship of its time. Likely the pinnacle of its kind, this boiler stands as a testament to the art of artisanal copperwork. With its unparalleled quality and unique provenance, it is a remarkable find that captures the essence of a 1920s craftsmanship, making it a prized addition to any collection. H: 102 W: 50 D: 45 cm
