Description

A smart and very well made antique mahogany military campaign chest of drawers. This was made in England, it dates from around the 1920-30's. It is of superb quality and is a great size, the top half lifts off the bottom half for ease of transport. The mahogany has a wonderful colour tone and patina, this has high quality brass fixtures that compliment the mahogany well. We have had this recently re-polished, the condition is excellent for its age. There is just some minor wear and age related patina beneath the polish here and there. Width – 37 inches , 94 cm Depth – 20 inches , 51 cm Height – 39.5 inches , 100 cm
