Description

These are an exceptional and beautiful pair of true Art Deco Platinum and Diamond earrings made around 1930. They have fully articulated platinum frames and 44 of the most exquisite European Old Cut diamonds which are incredibly white, bright and crisp. The total diamond carat weight is 3cts. Elegant and very much in the classic Art Deco design. The platinum and the diamonds have all been fully tested. We have fitted the latest solid 18ct white gold secure lock fittings so they are almost impossible to lose. They measure 51mm long not including the studs and are 10mm at the widest point. They have been polished and ultrasonically cleaned and sterilised ready for their new owner. Overall they are just dazzling and were obviously extremely well cared for, it would certainly make a perfect gift for any lady especially when worn with that little black dress.
