Description

Superb Edwardian mahogany display cabinet complete with working lock and key. The top has a oval shaped bevel edge mirror that will create the impression of a more spacious, brighter room. This wonderful cabinet has a shelved cupboard and drawer on either side of the astragal glazed door which all boast stylized inlaid decoration in satinwood and rosewood. The interior velvet of the central cupboard is a little worn however this adds to this cabinets character and charm but also would be easily changed if wanted.
