Description

Beautiful blue and violet colours Scottish art glass Monart flower vase in perfect condition. The swirl design and colours of this particular piece are just lovely. SIZE; 7" diameter by 6 1/2" high CIRCA; 1930 Monart glass was all started by Salvador Ysart and Isabel Moncrieff and Ysart's three sons in the early 1920's in Perth Scotland. The three brothers; Vincent, Augustine and Salvador then split up from their father and formed Vasart Glass (originally named Ysart Brothers) in 1947. The two firms then both produced similar style of glass simultaneously for a period before Vasart glass became Strathearn Glass in 1965. We can only put early pieces of Monart glass on here because of the dateline of 1930 for glass on Sellingantiques. For the full range of Monart, Vasart and Strathearn glass please visit our own website.
