Description

For sale is a captivating antique pine larder cupboard, featuring a door on the right-hand side (opening from left to right) adorned with two old brass circular vents in the panel. Inside, you'll find three shelves for ample storage. On the left side, there are four drawers, each with an old brass cup handle. Currently, when the door is locked, it also secures the drawers. However, if needed, we can adjust the strip on the door to allow access to the drawers when the door is locked. Presently in its natural bare wood state after a recent strip, this piece can be acquired as is for £610, or opt for it to be waxed for £697. It's in splendid condition considering its age (1920s), with all drawers running smoothly, and the lock functioning perfectly. Dimensions are as follows: Height: 51.5", width: 37.5", depth: 16"
